Dr.YSR FREE CROP INSURANCE (Dr YSRFCI)–
RE-STRUCTURED WEATHER BASED CROP INSURANCE SCHEME (RWBCIS) 2023-24 (KHARIF 2023 & RABI 2023-24)

NOTIFICATION

The Main features / Operational Modalities

The Pradhan Mantri Fasal Bima Yojana (PMFBY) – Re-Structured Weather Based Crop Insurance Scheme (RWBCIS) is the flagship crop insurance scheme launched by Govt. of India in 2016 and the scheme implemented as per the operational guidelines and instructions issued by the DAC&FW, GoI from time to time.

While ensuring Universal coverage of notified crops under the Crop Insurance scheme without any premium burden on the Farmers and separate registration, the Government of AP has implemented Dr. YSR Free Crop Insurance – Weather Based till 2022-23. Now, GoAP decided to implement Dr.YSRFCI- Weather Based jointly with GOI with nomenclature as Dr YSR Free Crop Insurance – Re-Structured Weather Based Crop Insurance Scheme (DrYSRFCI -RWBCIS in 2023-24 (Kharif 2023 and Rabi 2023-24).

All the cultivators growing notified crops in notified areas, whose crop details were captured through the e-crop (a software application for capturing crop details) and after successful completion of farmer e-kyc and social audit become eligible for coverage under this scheme.

Farmers need not pay anything in the shape of premium, and the State Govt will also pay the Farmer's share along with the premium subsidy for all the approved applications in the National Crop Insurance Portal (NCIP)

As permitted by the GoI, the State has chosen for adoption of the risk transfer model i.e., Conventional model during 2023-24.

Conventional PMFBY (Risk transfer Model)

Only Premium (Farmer's share, State Share and GOI share of Premium subsidy) will be paid under conventional PMFBY and the Insurance Company is liable for payment of complete claim.

The online bids received from various Insurance Companies empanelled by the GoI have been finalized, and administrative approvals issued by the State Government vide GO Rt. No. 660 Agriculture & Cooperation (Agri.V) Dept, dated 08-09-2023 for selection of implementing agency and model for implementation of Dr YSRFCI-RWBCIS (Weather Based) during 2023-24.

Accordingly, the Scheme will be implemented by the following Implementing Agencies (Insurance Companies) and details of crops/unit areas/ features/ provisions and conditions
